MULTIMAX MP 569 - Technical Specifications

Description

The new tire MULTIMAX MP 569 is specifically designed for agro trucks. It is the innovative solution that enhances both tractor and truck performance features to meet the special needs of modern farming during several applications. Thanks to its All Steel casing, the tire stands out for its high speed capability and durability. The optimized tread pattern provides enhanced traction on field and great selfcleaning properties, together with an extremely comfortable drive on road and great stability. Not to mention that MULTIMAX MP 569 ensures significant savings in fuel consumption thanks to a low rolling resistance.
